

Spiritual Destination

Spiritual Destination was founded in the year 1993 with three main Objectives.

To promote Spiritual Vashikaran Kits for the benefit of the people by removing doubts from their minds about mysteries surrounding Amulet and making them aware of the properties of this Spiritual Vashikaran Kits as mentioned in our ancient scriptures as well as through scientific and practical usage of Amulet.

To supply good and genuine quality Spiritual Vashikaran Kits at reasonable prices to people worldwide.

To continuously enhance knowledge on the properties of this Spiritual Vashikaran Kits based on past researches and experiences of people.

Rules to wear Energized Amulet:-

After having studied Amulet & Kits deeply for more than 21yr now I personally FEEL there are some very extremely important points which should be followed/remembered with wearing of Amulet & Kits, these are listed below.

All of the below mentioned points may NOT be rules (to be followed with Amulet & Kits) since some of below mentioned points are my personal suggestions or viewpoints so I leave this for the reader to decide

.....

Energise/Pran Prathistha Amulet Or Kits from a brahmin pandit in a Kali temple & then wear your energised Amulet Or Kits for first time immediately after its Pran Prathistha puja.

Before you wear your energised Amulet Or Kits for first time make sure you follow the vidhi of saying the mantras as laid down in scriptures.

Hereafter every time you remove or wear your Amulet Or Kits (after its puja) say om-namah-shivah minimum 3times or 11times .. mansic jap is ok.

Amulet Or Kits can be worn at all times and scriptures do not mention any Taboo. Since it is an item of energy some people prefer to remove during Sex, visit to funeral grounds and during bowel movements. This is however not compulsory and not mentioned in ancient texts.

After you come back from attending participating in some one's death funeral procession &/or visiting the cemetery or cremation ground, then 1st thing you should do is take a complete water bath. Make sure you wet your head & forehead & neck regions thoroughly with water and then wear Amulet & Kits.

Make sure there is no rahu kaalam & yamghat kaal at time of buying a new Amulet & Kits & the time of doing its Pran Prathistha puja & also at the time of wearing energised Amulet & Kits for the first time, do please refer to panchag.

Never touch Amulet Or Kits with dirty hands.

Never touch Amulet Or Kits with pointer fingers.

Spiritual Destination

If at all by mistake you have touched your Amulet & Kits with dirty hands then pour some good amount of ganga jal on Amulet & Kits & ask forgiveness from Goddess Kali & then touch Amulet & Kits to Goddess Kali photo or shivling & then wear it, it is good to keep ganga jal 1 or 2 bottles handy at home.

Navratri,

Shivaratri,

Mahashivratri

&

Eclipse are auspicious times to dharan Amulet & Kits, there may be some more however I am not aware of it.

If for some reason you are not able to dharan/wear your Amulet & Kits then keep it in a small box at puja place & offer daily namaskar with om-namah-shivah jap.

Sometimes mistakes may happen with Amulet & Kits after all we are all humans however a person should remember not to repeat those same mistakes again.

Always buy Amulet Or Kit from your own money & not other people's borrowed money, also same applies when you give dakshna to Guru Ji after Amulet & Kits Pran Prathista, in case if you do borrow money then make sure you return that amount which you used for purpose of Amulet & Kits, also I feel that one should not bargain when buying Amulet & Kits.

Get your Amulet Or Kits re-energised through its Pran Prathista puja once every year at maha shivaratri or shivratri.

It is suggested that you have strong thread to place Amulet & Kits in, or use multiple strands of thread to make it strong so that thread does not break off anytime & Amulet & Kits does not fall to ground.

Amulet & Kits should not be exchanged or interchanged after you dharan/wear it.

Read more about Amulet & Kits to increase your knowledge on it however also make sure you don't get confused by reading from too many different sources.

It is suggested that brush that you use for cleaning Amulet & Kits should be used only for 1 time use & then disposed off, everytime use a new clean small brush.

There are various amrit yog & siddhi yog timings displayed in jyotish magazines & panchang, if one wishes then one could follow these timings for Amulet & Kits puja or wear Amulet & Kits (for 1st time) during these times.

ALWAYS REMEMBER THE AMOUNT OF BENEFIT YOU GET FROM YOUR AMULET & KITS WILL ALSO DEPEND ON THE AMOUNT OF RESPECT & CARE YOU SHOW TOWARDS YOUR AMULET.

"OM-NAMAH-SHIVAH".

I personally feel good books on Tantra are
